Organic Agriculture Inspector

We are expanding our team!

Easy-cert group AG is an international group of inspection and certification bodies operating worldwide, providing certification services in accordance with a wide range of national and international standards for organic agriculture, organic food processing, and various sustainability standards.

Bio Garantie SRL, the Romanian company within the group, is expanding its operations and is looking for an Inspector to join its team.

Candidate Requirements

- University degree in a relevant field, such as agriculture, horticulture or related disciplines
- Category B driving licence and willingness to travel frequently within the assigned areas
- Good oral and writing communication skills, including English
- Strong organizational skills and attention to detail
- Previous experience in agriculture or inspection is an advantage, but not mandatory

Main responsibilities:

- Conducting inspections of operators registered under organic agriculture certification schemes
- Collecting samples in accordance with internal procedures and applicable standards
- Maintaining effective communication with clients and handling their requests
- Participating in company-organized trainings, meetings and workshops

What we offer

- The opportunity to work in dynamic environment with both local and international exposure
- Regular training and ongoing support from the team
- Flexible working hours and the possibility of working from home
- Professional development in a continuously growing industry
- Private medical subscription
- Meal vouchers
